BYLAWS AND PROCEDURES
METROPOLITAN PLANNING ORGANIZATION
TRANSPORTATION POLICY BOARD
EL PASO URBANIZED TRANSPORTATION STUDY AREA

ARTICLE I. MISSION STATEMENT

Counties and cities have the local responsibility for anticipating and meeting the transportation needs for adequately moving people and goods within their jurisdictions. However, the Texas and New Mexico Departments of Transportation are charged, by law, with the responsibility for planning, designing, constructing, and maintaining the State Transportation System and to facilitate the implementation of the Transportation Equity Act for the 21st Century (TEA-21) and any subsequent transportation legislation enacted by the U. S. Congress, as amended. In addition, duly authorized Transportation Authorities are responsible for planning, developing, and operating public transportation services in their respective service areas. Under federal legislation, the Metropolitan Planning Organization (MPO), through the Transportation Policy Board (TPB) has an expanded role in project selection and transportation project planning and programming.

ARTICLE II. DEFINITIONS

Metropolitan Planning Organization - The Metropolitan Planning Organization (MPO) is the organization designated by the Governor of Texas on August 30, 1988 as being responsible, together with the State, for carrying out the provisions of 23 USC §134, 49 USC §5303 (Metropolitan Transportation Planning) and 23 CFR 450.300 et seq. (Metropolitan Transportation Planning and Programming) The MPO is the forum for cooperative decision making by principal elected officials of general-purpose local governments, in the El Paso Metropolitan Planning Area (MPA) and is established pursuant to 23 USC §134, 49 USC §5303 (Metropolitan Transportation Planning) and 23 CFR 450.300 et seq. (Metropolitan Transportation Planning and Programming) City of El Paso serves as the Fiscal Agent for the Transportation Policy Board of the MPO. The Fiscal Agent shall provide supportive services as outlined in a mutually approved operational policy agreement between the Transportation Policy Board and the City of El Paso.

Transportation Policy Board - The Transportation Policy Board (TPB) establishes regional transportation policy guidance and direction for the metropolitan planning study area. Ultimate responsibility for the metropolitan transportation planning process including, but not limited to, review and approval of the recommended transportation plan rests with the TPB.

Metropolitan Transportation Plan - The Metropolitan Transportation Plan (MTP) provides guidance to transportation providers, engineers, planners, community decision makers, and the general citizenry regarding the future growth of the MPA of El Paso County Texas, portions of Southern Doña Ana County and Otero County New Mexico, and the impact of this growth on all aspects of the transportation system. The transportation system consists of the infrastructure, facilities, and linkages that are used to move goods and services within the area. The MTP is intended as an action plan with a minimum twenty-year horizon for the maintenance, management, and further development of the region's transportation systems including highways and public transportation.

Transportation Improvement Program - The Transportation Improvement Program (TIP), is a multimodal listing of all transportation projects and programs expected to be implemented over a designated four (4) year period. This includes all projects or programs, which are expected to utilize federal funds and those projects or programs which will utilize other funds (state or local), including toll road and bridge projects. The TIP will be developed consistent with state and federal guidelines and the TPB's selection criteria.

Unified Planning Work Program - The Unified Planning Work Program (UPWP) is a listing of transportation planning, programs and services to be performed by the MPO in support of a continuous, comprehensive, and coordinated transportation planning process. The UPWP is a two-year transportation-planning program and budget that contains a listing of planning projects, programs and services performed by other agencies, which will have regional significance.

Congestion Management Process - The Congestion Management Process (CMP) provides information on the location and severity of current and future traffic congestion in the MPA. It also makes recommendations for the best projects and programs to relieve the congestion. The CMP is an ongoing process resulting in periodic update reports. The MPO is required to use a CMP when selecting transportation projects for inclusion in the MTP and TIP.

Ethics Policy

Metropolitan Planning Organization
Transportation Policy Board
El Paso Urbanized Transportation Study Area

Adopted February 22, 2008

ETHICS POLICY

METROPOLITAN PLANNING ORGANIZATION

TRANSPORTATION POLICY BOARD

EL PASO URBANIZED TRANSPORTATION STUDY AREA

I. Policy

All members of the Transportation Policy Board (“TPB”) for the El Paso Metropolitan Planning Organization (“MPO”) have a fiduciary duty to be ethical in fulfilling their responsibilities. Ethical conduct includes, but is not limited to, behavior that is in compliance with applicable local, state, and federal laws. Toward that end, and in compliance with § 472.034 of the Texas Transportation Code, the TPB adopts the following Ethics Policy as part of its bylaws.

II. Purpose

A. Ethical conduct is motivated by sources inside and outside the law. The Texas Local Government Code and the Texas Transportation Code regulate aspects of the conduct of members of the Transportation Policy Board. However, as ethical conduct means more than complying with state and federal laws, the Transportation Policy Board strongly encourages all of its members to maintain the highest personal values and standards. While it is impossible to establish specific and exhaustive standards for all situations, the standards established in this policy reflect minimum standards below which no conduct of a member of the TPB should fall. This Policy has the following purposes:

1. To maintain and improve standards of public service;
2. To improve public confidence in the integrity of the El Paso MPO and its Transportation Policy Board;
3. To provide a process by which members of the TPB may identify and resolve ethical issues;
4. To avoid conflicts between the personal interest and the public responsibilities of TPB members;
5. To establish minimum standards of conduct to be adhered to by TPB members;
6. To require disclosure of private financial interests by members of the El Paso TPB;
7. To require reporting of certain gifts received by members of the El Paso TPB; and,
8. To provide for complaints and resolution of ethical issues and concerns.

B. This chapter is cumulative of and supplemental to all applicable provisions of state and federal laws and regulations. Compliance with this Ethics Policy does not excuse or relieve any person from any obligation imposed by any applicable state or federal laws or regulations.

III. Definitions

For purposes of this Ethics Policy, the following definitions shall apply. Terms not defined in this policy, but defined in the Texas Local Government Code and the Texas Transportation Code, shall have the meanings assigned to them in those statutes.

This provision does not preclude members from acting in any manner consistent with their official duties or from zealously providing public services to anyone who is entitled to them;
- C. Shall not participate in making or influencing any TPB decision or action in which they know that they have any financial interest distinguishable from that of the public generally or from that of other members generally;

- J. This restriction does not apply to outside employment of a member if the employment is the member's primary source of income;

- L. - N. Shall not personally represent or appear in behalf of the private interest of another before the Board; or, if the represented person's interest is adverse to that of the Board or the MPO, represent any person:
1. In any quasi-judicial proceeding involving the Board or MPO; or
 2. In any judicial proceeding to which the Board or the MPO is a party.

- O. Shall not personally represent or appear in behalf of the private interests of another:
 - 1. Before the Board, unless the member discloses his or her status as a Board member and the representation or appearance does not relate to a matter that was heard or decided by the Board; or
 - 2. In a judicial or quasi-judicial proceeding to which the Board or the MPO is a party, if the interest of the person being represented is adverse to that of the Board or the MPO and the subject of the proceeding involves the Board or the MPO.
- P. Shall not use for their personal benefit and shall not disclose, except as may be required by law, confidential information gained in the course of or by reason of their positions. This provision shall not prohibit the disclosure of such information to incumbent public officials or employees to whose duties such information may be pertinent.
- Q. Each Board member shall acknowledge in writing receipt of this Ethics Policy.

V. Reporting requirements

A. Financial Disclosure

- 1. Each Board member, excluding officials whose financial disclosure requirements are governed by local, state, or federal law, shall file with the Executive Director, within ten business days after the date of his or her appointment to the Board, a signed, sworn statement disclosing:
 - a. Where, by whom and in what specific capacity that person is employed or self-employed;
 - b. Membership on boards of directors of corporations, whether organized for profit or not;
 - c. Partnership interest in any business conducting business with the TPB or the MPO;
- 2. Each person submitting a statement of financial disclosure required under this section shall utilize a form provided by the Executive Director.
- 3. No person submitting such a statement of financial disclosure must indicate therein the extent of financial involvement in any investments.
- 4. Each person subject to this section shall thereafter file with the Executive Director a signed and sworn financial disclosure statement, on or before January 15 of each year while a member of the Board, or at any other time in which the person changes his or her primary employment or has made changes in financial investments which require disclosure under this section. Those persons who have no changes to report regarding the information required to be reported, may, in lieu of filing a complete financial disclosure form, file a short form annual report, provided that they have filed a complete financial disclosure form within the previous five years.
- 5. The Executive Director shall, no later than March 15 of each year, prepare a report which notes whether each person subject to the filing requirement of this section has filed the required financial disclosure statement as of the date of the report. In the event that a person subject to the filing requirement has not filed his or her financial disclosure statement by the date of the completion of the report or in the event that a person fails to file his or her financial disclosure form within ten business days after the date of their appointment and they do not already have a current financial disclosure form on file, the Executive Director shall send a written notice by certified mail, return receipt requested, with a copy sent by regular mail, to the person to advise the person that the Executive

Director's records indicate that the person is subject to the requirement of this section, the person has not filed a financial disclosure statement as required by this section and that the person has fifteen days from the date of the letter to file his or her financial disclosure statement. The Executive Director will also advise the board member that the intentional or deliberate failure to timely file the financial disclosure statement may result in the removal of that board member as a member of the TPB.

6. In the event that a Board member fails to file his or her financial disclosure statement by the deadlines calculated in paragraph 5 above, the Executive Director shall prepare and send a notice of the failure to each member of the Board for their review and consideration regarding the possible removal of the Board member as a member of the TPB Board. A Board member who fails to file his or her financial disclosure statement as required by this section forfeits his or her voting rights on the Board until he or she complies with such financial disclosure requirements.

B. Reporting of Gifts

It is the policy of the Board that all Board members shall be careful about accepting gifts from any source, particularly from those sources who may transact business with the Board or the MPO.

1. Each Board member, excluding officials who are required to report the receipt of gifts by local, state or federal law, shall keep a written record of all reportable gifts received during his or her term of office as a Board member.
2. Such record shall be made on a quarterly basis each year. The record shall include a description of the reportable gift received; the name of the person and organization giving the reportable gift; the relationship of the donor to the reporter, if any; the value or estimated value of the reportable gift; and the immediate or intended disposition of the reportable gift. A reportable gift consisting of a certificate or admission ticket to a future event or activity shall be deemed to have been received on the date on which the certificate or admission ticket was received.
3. Such record shall be submitted to the Executive Director on a form prepared by the Executive Director no later than the tenth day of the month following the end of the quarter. If a Board member has no gift to report for a quarter, a statement to that effect shall be included on the reporting form.
4. If a gift is returned to the sender or donated to a suitable charity immediately upon its receipt, reporting of the gift is unnecessary. Any gift, the receipt of which is prohibited by this policy, shall be returned to its source.
5. In no event shall any Board member accept a gift, if the source of the gift is not identified. If the source of any gift cannot be ascertained, the gift shall be donated to a suitable charitable organization.
6. Door prizes are not reportable as gifts unless (a) the likelihood of winning a prize of some sort is at least one chance in ten or (b) the combined value of all prizes is greater than \$10 multiplied by the number of persons eligible to win.
7. Except as provided herein, no Board member shall accept any expenses related to travel from an outside source. Acceptance of such expenses shall be made only if:
 - a. The Board specifically authorizes receipt of the expenses; and,
 - b. A public record of that action is maintained in the minutes of the Board.
8. Reportable gifts shall mean the following:
 - a. Anything of value, including edibles, if the fair market value exceeds \$50;
 - b. Any hosting, such as travel and expenses, entertainment, meals or refreshments, that has a value of more than fifty dollars, other than hosting provided on account of kinship or a personal, professional, or

METROPOLITAN PLANNING ORGANIZATION

TRANSPORTATION POLICY BOARD

EL PASO URBANIZED TRANSPORTATION STUDY AREA

PREAMBLE

The Transportation Policy Board (the “Board”) for the El Paso Metropolitan Planning Organization has determined that all public meetings shall be conducted in a civil, orderly and deliberative manner. The Board adopts the following rules of procedure as guides of conduct for members of the Board, all members of its standing committees, and for the general public. The following rules are based on the following basic principles of parliamentary procedure: All Board members and Committee members have equal rights, privileges, and obligations; a quorum must be present in order for action to be taken; full and free discussion of every motion is a basic right; only one motion at a time may be considered, and only one person may have the floor at any one time; members have a right to know what the pending motion is and to have the pending motion restated before a vote is taken; no one can speak until recognized by the Chair; personal remarks are always out of order; and all motions are decided by a majority vote.

Section A. Application of Rules

The following rules apply at all regular and special meetings of the Board and the El Paso MPO Committees where action is to be taken. When a question arises during a meeting that is not addressed by these rules, Robert’s Rules of Order shall apply. Whenever there is a conflict between these rules and Robert’s Rules of Order, these rules shall govern.

Section B. Effect of Failure to Follow These Rules

1. No action of the Board or of any Committee shall be considered invalid merely by reason of the failure of the Board or Committee to follow these Rules.
2. No one other than a member of the Board or a Committee shall have standing to assert that any action taken is invalid by reason of the Board’s or Committee’s failure to comply with these Rules.

Section C. Presiding Officer

1. If a quorum is present the Presiding Officer shall call the meeting to order at the posted time. If a quorum is not present at the posted time, the Presiding Officer shall call the meeting to order as soon as a quorum is present.

2. The Chair shall preside at all public meetings. In the absence of the Chair, the Vice-Chair shall preside. In the absence of the Chair and the Vice-Chair, the members present shall elect a Presiding Officer to preside over the meeting. Upon arrival of the Chair or Vice-Chair, the acting Presiding Officer shall immediately relinquish the chair upon the conclusion of the business then pending.
3. The Presiding Officer shall preserve strict order and decorum at all times; shall state all agenda items and pending action motions as necessary for clarity, and shall announce the action of the membership.
4. The Presiding Officer, with the assistance of the El Paso MPO staff, shall timely prepare all agendas in advance of all public meetings in compliance with the posting requirements of the Texas Open Meetings Act.
5. Board and Committee members, wishing to place an item on the agenda shall submit a request for inclusion of the item directly to the Chair. The Chair, or the Vice-Chair in the absence of the Chair, shall determine whether or not an item is placed on the agenda. A decision to not place a requested item(s) on the agenda, and the reason(s) for not placing such item(s) on the agenda, must be communicated to the requestor before posting of the agenda.

Section D. Order of Discussion

1. All questions of order shall be decided by the Presiding Officer.
2. All decisions of the Presiding Officer concerning questions of order may be overridden by a majority of the members then present and voting.

Section E. Voting and Motion Practice

1. Unless otherwise provided herein, all motions shall be decided by a majority vote of those members present and voting.
2. No member may make a motion unless recognized by the Presiding Officer.
3. All motions shall be seconded by another member before action on the motion can be taken.
4. Before a motion is restated by the Presiding Officer, any member can suggest, without waiting to be recognized, a modification of the pending motion in order to clarify the motion. The maker of the motion can choose to accept or reject the suggested modification.
5. If the Presiding Officer decides that the motion is in order, the Presiding

- Officer shall restate the motion and open debate or discussion.
6. The maker of the motion shall speak first in support of the motion.
 7. The Presiding Officer may close debate or discussion of the motion when discussion has ended or when the membership by a two-thirds vote closes debate.
 8. The Presiding Officer may allow members of the public to speak on an agenda item.
 9. After discussion is ended, the Presiding Officer shall call for a general vote and announces the result of the vote. A member may challenge the Presiding Officer's count by demanding a poll or roll call vote.

7. Rules of debate may be suspended by a two-thirds vote of those members present and voting.

Section G. Rules Concerning Order of Precedence of Motions

1. All motions require a second.

3. A question of order takes precedence over all other motions except a motion to adjourn.
4. A motion to postpone takes precedence over all other motions except a

motion to adjourn or a question of order, and may at the discretion of the Presiding Officer, be debatable.

5. A motion to amend takes precedence over a main motion and must be approved by a simple majority of those members present and voting. Following approval of any amendment(s), the Presiding Officer shall call for a vote on the merits of the main motion as amended.
6. Motion To Reconsider–Opens debate on a motion that has already been voted upon in the same meeting. A motion to reconsider may only be made by a member who voted on the prevailing side.

Section H. Right of Public To Be Heard

1. Members of the public may be allowed a reasonable opportunity to be heard during the meeting or in regard to any and all matters on the agenda. The time allowed for public comment may be limited to a fixed number of minutes at the discretion of the Presiding Officer. Members of the public shall usually be granted three (3) minutes to present their position on the issues. The Presiding Officer may grant a speaker additional time at his or her exclusive discretion.
2. Members of the Public wishing to provide comment during a meeting shall sign up prior to the commencement of the meeting.
3. A member of the public who the Presiding Officer determines is being disruptive may be asked to leave the meeting.
