

RMS 2050

METROPOLITAN TRANSPORTATION PLAN

MARCH 25, 2022

El Paso Metropolitan Planning Organization

This page intentionally left blank

This document was prepared in cooperation with:

The El Paso Metropolitan Planning Organization Transportation Project Advisory Committee

And

The Texas Department of Transportation

And

The New Mexico Department of Transportation

The document was reviewed and approved by:

The El Paso Metropolitan Planning Organization - Transportation Policy Board

On 03/25/2022

El Paso Metropolitan Planning Organization (EPMPO)

Notice of Non-Discrimination

Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d-1) and 49 CFR part 21; The Older Americans Act, as amended (42 U.S.C. 6101), prohibiting discrimination on the bases of age in programs or activities receiving Federal financial assistance; and Section 324 of title 23 U.S.C. regarding the prohibition of discrimination based on gender;

The El Paso MPO is committed throughout the development of its plans and programs to ensure that no person on the grounds of age, gender, race color or national origin is excluded from participation in, denied the benefits of, or subjected to discrimination under any program receiving federal financial assistance. No plans, programs or policies developed or implemented by the El Paso MPO will have a disproportionately high adverse human health or environmental effect on minority and low-income populations. The El Paso MPO plans continue to work on improving the accessibility of employment to the identified protected populations. Further, many of the current MPO public meetings are held in minority and low-income communities in the region and are located near accessible public transit facilities. Funding is allocated as part of the Unified Planning Work Program for a Title VI Plan to maintain an analytical approach that produces procedures that meet Title VI requirements by ensuring that federally-funded transportation projects adequately consider effects on low-income and minority segments of the population.

Complaints of alleged discrimination and inquiries regarding the MPOs non-discrimination policies may be directed to Eduardo Calvo, Executive Director, 211 N Florence, Suite 202 El Paso, TX 79901, (915) 212-0258 or the following email address:

ecalvo@elpasompo.org

Disadvantaged Business Enterprises (DBE) in planning projects: 49 U.S.C. 5332, prohibiting discrimination on the basis of race, color, creed, national origin, sex or age in employment business opportunity; and Section 1101 (b) of the SAFETEA-LU (Pub. L. 109-59) and 49 CFR part 26 regarding the involvement of disadvantaged business enterprises in USDOT funded projects; 23 CFR part 230, regarding the implementation of an equal employment opportunity program on Federal and Federal-aid highway construction contracts;

The El Paso MPO follows the City of El Paso's Disadvantaged Business Enterprise which in turn follows the TXDOT DBE Plan. Funding is allocated as part of the Unified Planning Work Program to maintain an analytical approach that produces procedures that meet Environmental Justice requirements by ensuring that federally-funded transportation projects adequately consider effects on low-income and minority segments of the population.

Americans with Disabilities Act of 1990: The provision of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) and 49 CFR parts 27, 37, and 38; and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 49 CFR part 27 regarding discrimination against individuals with disabilities.

It is the policy of the El Paso MPO to ensure that all agency programs and services are accessible to people with disabilities and are in compliance with the applicable regulations as a condition of receiving Federal financial assistance from the Department of Transportation. The El Paso MPO will make reasonable accommodations to a qualified individual with a disability who attends on-site meetings and meeting facilities meet this requirement. Every effort is made to ensure that meeting facilities off-site are ADA accessible. A notice is published in advance of all MPO public meetings that reasonable accommodations will be provided for meeting locations on and off-site with a phone number and contact persons listed to provide assistance if needed. In addition, the El Paso MPO staff is actively involved in various ADA-related initiatives which are being carried out as part of the Unified Planning Work Program including Elderly and Disabled Planning, the Job Access/Reverse Commute Program, and the review of ADA compliance documents developed by the region's transit and paratransit agencies, all of which focus on ensuring that transportation program and services across the region are accessible to those citizens with disabilities.

Restrictions on influencing certain federal activities: CFR 29, Part 20;

It is the policy of the El Paso MPO that no state or federal funds received by the agencies shall be paid to any person for the purpose of influencing the award of a federal contract, grant, or loan or the entering into of a cooperative agreement. NO state or federal funds received by the agencies shall be used directly or indirectly to influence any member of Congress, any member of the State Legislature, or any local elected official to favor or oppose the adoption of any proposed legislation pending before any federal, state, or local legislative body.

Credit/Disclaimer Statement

"The preparation of this report has been financed in part through grant[s] from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the State Planning and Research Program, Section 505 [or Metropolitan Planning Program, Section 104(f)] of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation."

Questions or other interest regarding the plan may be directed to:

Eduardo Calvo, 211 N Florence, Suite 202 El Paso, TX 79901, (915) 212-0258 or the following email address:

TABLE OF CONTENTS

1. Introduction	1-1
Metropolitan Planning Organization	1-1
Legislative Authority for the MTP	1-2
El Paso MPO	1-2
Transportation Policy Board	1-2
Transportation Project Advisory Committee	1-4
EPMPO Staff	1-5
MTP Planning Process	1-7
Visioning Process	1-7
Needs Assessment	1-7
Transportation Strategies	1-8
Systems-Level Analysis	1-10
Financial Analysis And Constraint	1-11
Selection of a Proposed Package of Projects	1-12
Adoption Process	1-12
2. Guiding Principles	2-1
Federal Guidelines	2-1
2050 Demographic and Employment Growth	2-2
Environmental Justice	2-8
Regional Visioning Process	2-10
Visioning Results	2-12
Regional Vision Statement	2-14

Goals and Objectives	2-14
National Performance Goals and Planning Factors	2-14
Safety and Security	2-15
Goals and Objectives Recommendation	2-23
Performance Measures	2-25
3. Regional Transportation Needs & Priorities	3-1
A) Regional Mobility Strategy- RMS 2019	3-1
RMS 2019 Elements	3-1
Roadway Network Analysis	3-1
International Crossings Analysis	3-5
Transit Analysis	3-5
Active Transportation Analysis	3-6
Freight Rail Analysis	3-6
B) Multimodal Network Evaluation	3-7
Evaluation Criteria and Descriptions	3-7
Multimodal Networks	3-9
Multimodal Evaluation	3-9
Multimodal Gaps	3-10
Evaluation Results	3-14
C) Congestion Management Process	3-19
Segment Performance Analysis	3-21
Congestion Analysis	3-26
Freight Congestion Analysis	3-29
4. Transportation Strategies	4-1

Congestion Mitigation Strategies to Address Unmet Needs	4-1
Travel Demand Management	4-1
Strategies to Increase Travel by Transit, Bicycle, or Walking	4-4
Transportation System Management and Operations	4-13
Preliminary Evaluation of Travel Demand Management Strategies	4-19
Conceptualized Densified Scenario	4-20
2050 Densified Scenarios vs. No-Build Scenario	4-27
Final Recommendations	4-29
5. Systems-Level Analysis	5-1
Environmental Mitigation Analysis	5-1
Potential Mitigation Activities	5-9
Air Quality	5-11
Air Quality in the EPMPPO Area	5-13
Environmental Justice Analysis	5-16
Environmental Justice and the MTP	5-16
6. Financial Analysis and Fiscal Constraint	6-1
Estimating Funding	6-1
Roadway Funding Sources	6-1
Roadway Funding Forecast	6-8
Transit Funding Sources	6-12
Transit Funding Forecast	6-13
Estimating Costs	6-15
Constraining the Plan	6-17

7. Public Involvement Summary	7-1
El Paso MPO Public Participation Plan	7-1
Public Involvement and the MTP	7-1
Visioning Workshops	7-2
Stakeholder Engagement	7-23
Draft Plan and Public Participation	7-25
8. Staged Improvement Plan	8-1

APPENDIX LIST

Appendix A-Public Comment

Appendix B-Detailed Financial Summary

Appendix C-Detailed Project List

Appendix D-Performance Based Planning and Programming

Appendix E-Online Visioning Workshop-Public Feedback Report

Appendix F-TDM Demographic Development

Appendix G-Regional Mobility Strategy-RMS 2019

Appendix H-Regional Mobility Strategy-RMS 2020

Appendix I-Multimodal Network Evaluation

Appendix J-Congestion Management Process-Segment Performance Analysis

Appendix K-Transportation Air Quality Sketch Planning Tool

Appendix L-Live Workshop Comments and Responses
